Reference: Amendment to Report of Receipts and Disbursements
(7/01/1998 - 09/30/1998)

Dear Lisa:

The following information amends campaign disclosure statement, FEC Form 3, executed on 10/15/98.

The amended information *does not* affect the Summary Page.

Schedule A, *Contributions from Individuals/Persons*, page 3 - Item C and D changes contribution from \$1000.00 General Election to \$800.00 General Election and \$200.00 Primary Debt Retirement as written on the check. This was over looked when contribution was posted.

Hopefully, this concludes the necessary information to amend the Campaign Disclosure Statement dated 10/15/98.

Sincerely,

Cathleen Miller
